

Postage Refund Request

To receive a Postage Refund for mail that was returned to you by the U.S. Postal Service, simply fill out the form below and send it to us along with the returned envelopes you received. We will research and update the celebrity's new contact information in the online database www.ContactAnyCelebrity.com and send you a Postage Refund Check for fifty-cents per return.

Note that we can only issue Postage Refunds for envelopes addressed correctly according to the celebrity's address on file in the database the day your letter was postmarked. Postage Refunds are also only valid on addresses retrieved from the online database – not from the Celebrity Black Book.
